Celebrating Black Culture, Pride, and Power

WHAT IS JUNETEENTH?

Juneteenth, short for June Nineteenth, is the day that federal troops arrived in Galveston, Texas in 1865 to ensure that all enslaved people were freed. Juneteenth honors the end of slavery and is recognized as the longest-running African American Holiday.

Juneteenth Flag

The troops' arrival came two and a half years after the signing of the Emancipation Proclamation. The Emancipation Proclamation was signed by President Abraham Lincoln on January 1st, 1863 establishing that all enslaved people in confederate states in rebellion against the union "shall be the, thenceforward, and forever free." In reality, the Emancipation Proclamation didn't instantly free any enslaved people. It only applied to places under confederate control and not slaveholding border states or rebel areas already under Union control. In some cases, enslavers withheld information until after harvest season.

In Texas, slavery continued and there was no significant presence of Union troops. Many enslavers actually moved there because it was viewed as a safe haven for slavery. After the war came to an end in the spring of 1865, General Gordon Granger's arrival in June signaled freedom for 250,000 enslaved people. Although the Emancipation Proclamation didn't provide freedom for everyone right away celebrations broke out among newly freed Black people and Juneteenth was born.

ABOUT YOU MATTER 2 AND THE HOMEWOOD-FLOSSMOOR JUNETEENTH FESTIVAL

You Matter 2 was founded in 2014 by Destiny Watson. It started on Instagram to serve as a platform to uplift and inspire teens and has grown into so much more since. You Matter 2 Inc. is now a 501(c)(3) nonprofit that provides youth with a safe space to develop positive relationships, leadership skills, and discover their passions. Our mission is to provide opportunities for youth to serve and make a difference in their community. We work with 6th-12th grade students in the South Suburban area by getting them involved in community service, and educating them on local and global issues. The organization hosts an annual Back to School Bash giving away free school supplies to families in the community, an annual food drive, as well as various other community service events.

The annual Homewood-Flossmoor (HF) Juneteenth Festival serves as a celebration of African American culture expressed through food, music, dance, and arts. Our mission is to provide an environment that celebrates and showcases the uniqueness, power, and endurance of African Americans. It's our vision to have a community that is more knowledgeable and motivated to preserve our cultural heritage. To increase awareness and promote the Black Businesses in the Homewood and Flossmoor communities. We would also like to attract potential residents and business owners by highlighting the diversity and sense of community in our neighborhood.
